Nestled amongst the countryside on the Warwickshire/Leicestershire border, our venue features 4 luxury glamping cabins with hot tubs exclusively yours for a weekend.

Whether it's a traditional affair or a festival style wedding, you will have access to 5 acres of field that has a large open fire pit, areas for additional camping and overnight parking.

Our field is also home to our beautiful family of animals, who love people and a little fuss. Also known to photobomb a picture or two.

We have a selection of suppliers who we recommend from catering to live entertainment. We will work with you from the planning stages right through to your special day with optional packages available to suit all budgets.
